Funding

NOHFC funding is based on the project's total level of spending in Northern Ontario. NOHFC provides assistance in the form of a conditional contribution up to 50% of eligible costs to a maximum capped on a tiered basis according to the total northern spend:

TOTAL PRODUCTION BUDGET	POTENTIAL LEVEL OF SUPPORT
Up to \$5 million	Up to \$500,000
\$5million - \$10 million	Up to \$1 million
\$10 million and above	Up to \$2 million

Project costs that are eligible for NOHFC funding include all costs of production that are spent in Northern Ontario, including labour costs, production goods and services, and post-production costs.

“The NOHFC funding assistance, plus the ability to shoot in northern locations, and the crew and the actors that were available there, made the film so authentic.”
